コービン
CORAVIN

WHITE: (3oz/6oz)

DEUX MONTILLE SOEUR-FRÈRE 'casse-tête' 2008 \$19/\$38
(chardonnay, meursault)

alix and etienne de montille work together on this project as brother and sister to make wines showcasing stunning mineral-ity and terroir. 'casse-tête' is situated at 300m of altitude with east facing exposure. the site's name comes from the compact, rocky soils and steep slope, as the vigneron needed to break the "heads" of the rocks in order to plant the vines.

DOMAINE DE CHEVALIER 2009 \$25/\$50
(sauvignon blanc/sémillon, pessac léognan)

nestled within the heart of graves (a renowned commune of bordeaux, not where the dead rest), this grand cru classé has a family history that can be traced back to the 1100s. the 2009 vintage was warm and yielded full, powerful expressions of white bordeaux. notes of white flowers, exotic fruit, and ripe citrus.

RED: (3oz/6oz)

FAILLA 2014 \$11/\$22
(pinot noir, sonoma coast)

after crafting an impressive resume making wine for some of the most highly regarded producers in california and france, ehren jordan struck out on his own with failla wines. his first vintage release was in 1998, and with failla, he has spent the past two decades searching out the best sites in california for the cultivation of cool-climate pinot noir. the sonoma coast bottling sources fruit from across these different sites to showcase a new classic california style.

LOU DUMONT 2012 \$15/\$30
(pinot noir, gevey-chambertin)

a love story for the ages--tokyo native koji nakada had a passion for wine, particularly burgundy. he left his position as a sommelier to study oenology in beaune. there, he met jae hwa park, a korean expat teaching french in dijon. the two developed a relationship as nakada honed his craft as a winemaker across bordeaux, champagne, and alsace. they then married and brought their passion back to its source, founding lou dumont, a négociant project, in 2000. the gevey-chambertin bottling shows a nervy expression of dark red fruit, highlighting the limestone soil on which the 30-75 year old vines sit.

ROBERT SINSEY VINEYARDS 'pov' 2012 \$12/\$23
(merlot/cabernet franc/cabernet sauvignon, carneros)

robert sinskey vineyards has been putting out incredible wines from cool-climate carneros for the past three decades with a staunch dedication to biodynamic farming and quality. the wines are not manipulated or blended with fruit from any outside source, touting that wine is not 'an athletic event' and is supposed to be 'grown, not manufactured.' this riff on a st-emilion is generous, layered, and rich right from the get-go with lush fruit tones and well-integrated tannins.
