## CORAVIN

**WHITE:** (3oz/6oz)

**BOYER-MARTENOT 'en l'ormeau' 2016** \$20/\$40  
(chardonnay, meursault)

*vincent boyer can be found in his vineyard with his hands on the vines and in the soil, honoring the legacy of the meursault appellation and the four generations of his family that cultivated the land before him. eschewing the blended style favored by many meursault winemakers, boyer focuses on single-vineyard wine from his 'villages' and the result sings for itself. his wine expresses an entrancing resonance and demonstrates the splendor of simplicity.*

**RUDD MT. VEDEER ESTATE 2012** \$28/\$55  
(sauvignon blanc, napa valley)

*rudd mt. vedeer estate stands out as an exceptional place with unmatched terroir – uniquely situated within Napa Valley with a geologic backbone of volcanic rock weathered into core stone bedrock and alluvial sediments creating iron-rich, well-drained soil ideal for growing grapes. leslie and susan's vineyards are farmed organically by their own full-time team. having their own team enables some of the most significant winemaking actions of the year to be made in a focused, adaptive, and timely manner. most importantly, this control over the vineyards allows them to learn from the cycles of each season and alter their techniques to bring out the unique potential of the estate's land.*

**RED:** (3oz/6oz)

**VINCENT MOREY & SOPHIE 'les hâtes' 2013** \$13/\$25  
(pinot noir, santenay)

*sophie and vincent morey both come from families of wine growers. they set up their own domaine in 2006 and had their first harvest in 2007. vincent and sophie morey treat their vineyards as if they were gardens. "fine wines start with good grapes," they declare. "wine making is like cooking: the basic ingredients have to be right". in the vineyard, strict attention to detail is the order of the day.*

**ROBERT SINSEY VINEYARDS 'pov' 2013** \$13/\$26  
(merlot/cabernet franc/cabernet sauvignon, carneros)

*robert sinskey vineyards has been producing incredible wines from cool-climate carneros for the past three decades with a staunch dedication to biodynamic farming and quality. the wines are not manipulated or blended with fruit from any outside source, touting that wine is not 'an athletic event' and is supposed to be 'grown not manufactured.' this riff on the st-emilion style is generous, layered, and rich right from the start, with lush fruit tones and well-integrated tannins.*
