コービン

CORAVIN

WHITE: (3oz/6oz)

VENICA & VENICA 'ronco delle mele' 2016 \$16/\$32
(sauvignon blanc, friuli-venezia giulia)

established in 1930 when daniele venica purchased ronco del cero, today this winery is one of the friuli's most well known and respected estates. giampaolo now has taken over the estate from his father gianni and uncle giorgio. the winery is known for highly textural and aromatic whites that use little to no wood in the production of their wines.

BOYER-MARTENOT 'en l'ormeau' 2015 \$20/\$40
(chardonnay, meursault)

vincent boyer can be found in his vineyard with his hands on the vines and in the soil, honoring the legacy of the meursault appellation and the four generations of his family that cultivated the land before him. eschewing the blended style favored by many meursault winemakers, boyer focuses on single-vineyard wine from his 'villages' and the result sings for itself. his wine expresses an entrancing resonance and demonstrates the splendor of simplicity.

RED: (3oz/6oz)

VINCENT MOREY & SOPHIE 'les hâtes' 2015 \$13/\$25
(pinot noir, santenay)

sophie and vincent morey both come from families of wine growers. they set up their own domaine in 2006 and had their first harvest in 2007. vincent and sophie morey treat their vineyards as if they were gardens. "fine wines start with good grapes," they declare. "wine making is like cooking: the basic ingredients have to be right". in the vineyard, strict attention to detail is the order of the day.

ROBERT SINSEY VINEYARDS 'pov' 2013 \$13/\$26
(merlot/cabernet franc/cabernet sauvignon, carneros)

robert sinskey vineyards has been producing incredible wines from cool-climate carneros for the past three decades with a staunch dedication to biodynamic farming and quality. the wines are not manipulated or blended with fruit from any outside source, touting that wine is not 'an athletic event' and is supposed to be 'grown not manufactured.' this riff on the st-emilion style is generous, layered, and rich right from the start, with lush fruit tones and well-integrated tannins.
